

Why Would Someone Want to “Invest” in The Community Foundation?

Our Unique Abilities

STEWARDSHIP

People want their charitable gifts to be taken care of in the ways they intended during their lifetimes and beyond. The Community Foundation is structured to ensure your gift will be invested wisely in perpetuity.

EXPERTISE

Deeply rooted in Middle Tennessee, we are the local experts on philanthropy. We have in-depth knowledge about challenges and solutions for our community, and we monitor national trends and opportunities in giving, to give our donors every opportunity to make a difference.

STRUCTURE

As a public foundation dedicated to pooling resources and leveraging charitable dollars to maximum impact, we offer donors customized giving options to accomplish their goals with minimal expense.

STABILITY

We are here forever. The donor's intent is our standard in every decision. We ensure our donors' charitable priorities will always be honored, through changing time and circumstance.

SYSTEMS

Unlike private foundations, community foundations can have a new fund up and running in a matter of minutes rather than a matter of months.

FLEXIBILITY

One of our greatest assets is our extraordinary flexibility to create tailored charitable giving opportunities. This makes us a leader in philanthropy.

Most importantly, The Community Foundation connects generosity with need®. From the beginning, we have helped donors and nonprofit organizations make a difference in their community.

Today and always, we continue to uphold the values of our founders who believed a foundation for the community could play a vital role in identifying and supporting critical needs in Middle Tennessee. As a public foundation, everyone is invited to be a part of our work.
