

**The Community Foundation of Middle Tennessee**  
**The Metropolitan Government Employee Emergency Support Fund**

**APPLICATION FOR ASSISTANCE**

**THE PROGRAM:** This Fund helps employees or eligible dependents who have experienced a **natural disaster; life-threatening illness or injury; death; or other catastrophic or extreme circumstances** beyond the employee's control in the past 60 days AND are unable to afford housing, utilities, and other basic living expenses because of this event.

**ELIGIBILITY:** All Metropolitan Government of Nashville and Davidson County ("Metro") employees who are 1) in a classified or non-classified service; 2) employed directly for at least twelve months prior to application; and 3) actively employed or on approved leave of absence for no more than one year are eligible to apply for The Metropolitan Government Employee Emergency Support Fund ("the Fund"). If the employee has passed away, then a spouse or eligible dependent may apply. A copy of a paystub or payment statement should be attached to help quickly verify employment. **An employee can only be approved for assistance once within a 12-month period.**

**GRANTS:** The maximum grant amount available for assistance is **\$500**. The maximum award is not guaranteed, and in many cases, a lesser amount will be awarded. All payments are made directly to vendors as bill payments; no assistance funds will be sent directly to applicants, and applicants will not be reimbursed.

**Community Foundation staff is available to assist all applicants with this process. Call 615-321-4939 with questions.**

**SECTION A: WILL YOU QUALIFY?**

To qualify for this program and receive assistance you must meet **all 3** of these requirements:

- You must be currently employed by Metro **and** have been employed for at least twelve months.
- The qualifying incident must have happened within the past 60 days.
- Your situation MUST fall into one these four categories: (check the one below that describes your situation)
  - Natural Disaster:** For disasters such as wildfire, flood, tornado, hurricane, severe storms, or earthquake, that have damaged or destroyed the employee's residence. The Fund cannot repair other property and cannot pay to replace non-essential items, such as carports, electronics or furnishings. *Photographs, insurance reports or documentation will be required.*
  - Life-Threatening or Serious Illness or Injury:** For the employee, spouse and eligible dependent(s). The Fund is not a substitute for medical insurance, and employees do not automatically qualify for a grant when they, or their dependents, are diagnosed with or suffer a life-threatening or serious illness or injury. There must be resulting financial need including an inability to pay basic living expenses. *Doctor confirmation or medical documentation will be required.*
  - Death Incident:** The death of the employee, spouse or eligible dependent. The loss of income, cost of burial, or medical costs of the deceased prevents an employee or the family from affording basic living needs. This program cannot pay for travel to funerals, caskets, grave markers, burials, or funeral expenses. *Copy of the death certificate or obituary will be required.*
  - Catastrophic or Extreme Circumstances:** This includes, but is not limited to: fire, major home damage that could not be prevented, serious crime against the employee (robbery, arson, assault, domestic abuse, extreme vandalism), or another reportable incident beyond the employee's control that impacts the ability to afford basic needs. Catastrophic or extreme circumstances do not include: credit card debt, home foreclosure, wage garnishment, bankruptcy, child support payment, car repair, taxes, or accumulated financial distress. *Police, Fire or other official incident report may be required.*
